## 1 Intro

This document contains information about the label and its location for the NAUTICAST B2 for submission to the FCC database.

## 2 Label layout

In this layout the location of further approvals may be added in the future (e.g. IC).

## 3 Label location

In this picture the location of the label on the device is shown. If the device is mounted as proposed, all information on the label can be read whilst in use.
